

Industrial Chemicals

A. Inorganic Chemicals

- EMD (for Dry Batteries Alkaline & C-Zn Grade)
- Graphite (for Dry Batteries)
- Lithium (for Dry Batteries)
- Calcium Nitrate (for Latex Glove)
- Sodium Sulfite (for Latex Glove & Water Treatment)
- Zirconium Silicate (for Ceramic, Toiletry Ware Industries)
- Ceramic Materials
- Aluminum Coils
- CS-Phalt (for Road Coloring)
- Others Industrial Chemicals

B. Raw Materials on Glass for LCD & PDP TV, CRT TV, Glass Fiber

- Barium Carbonate
- Strontium Carbonate
- Litharge
- Potassium Nitrate
- Potassium Carbonate
- Cerium Oxide
- Titanium Dioxide
- Sodium Antimonate
- Others Industrial Chemicals

C. Mineral, Natural Resources & Mining Products

- Phosphoric Acid (Food Grade)
- Talc (Hi-Filler)
- Turpentine Oil
- Kaolin
- Others Industrial Chemicals

PolyUrethane

A. Raw Materials Of Urethane

- TPU (Thermoplastic Polyurethane)

- TDI, MDI
- POP
- PPG
- PTMG, etc

Petrochemicals & Specialty Chemicals

A. Petrochemicals & Specialty Chemicals

- Acclude (Additive for Automobile Lubricant)
- Monomer (various types)
- Performance Materials: MMA, EO, Coating Materials, etc
- Sophisticated Chemicals

B. Raw Materials of Fabric & Plastics

- Epoxy Resin
- EG, AN (raw materials of fabrics)
- PDCB, MMA, SM.1,4BD (raw materials of resins)
- Caprolactam
- N6-Chip
- DMT
- Acrylic Esters

C. Raw Materials of Organic Chemicals

- Crude Glycerin
- Glycerine (USP Grade)
- Detergent raw materials
- Toiletry
- Nylon Tire Code [LATEX, Spinning agent]
- Resin Additive
- Paint / Adhesive (MMA, PVA, MELAMINE), etc

Life Science & Fine Chemicals

A. Raw Materials for Health Drinks / Energy Drinks

- G-Acid
- Taurine
- Flavor materials, etc

B. Food Chemical Materials for Food & Beverage Industries

- Sweetener
- Albuminoidal
- Acidifier

- Flavoring Materials
- Stabilizer, etc

C. Feed Additive / Pharmaceutical / Natural Materials

- Prop Ionic Acid
- Raw Materials for Sophisticated Pharmaceutical, etc

D. Organic Intermediate Materials

- Intermediate For Pharmaceutical & Agrochemical
- Sophisticated Intermediate
 - 1. Non-halogen Type Of Fire Retardant For Resin
 - 2. Intermediate Chemical For Picture & Heat Sensitive Dye, etc
- Intermediate For Dye & Pigment
- Intermediate Chemical For Rubber
